Re: Newsletter Articles

Clan Newsletters are produced with the intention of informing members of events that have occurred or are planned within our Clan. In hindsight a couple of articles in the October issue were of a negative nature and were inappropriate for our Newsletter.

They were intended to put some light on the reasons for the recent resignations from several Committee Members including the President which is very difficult without placing blame and hurting feelings.

In this regard, I wish to advise Members that the situation is now resolved and no further articles will be included in Newsletters which can be seen to be detrimental to any Clan Member.

I therefore apologise to any person who felt any remark was inappropriate.

In closing I wish to inform all Members that all questions put to the President and Treasurer at the AGM have been resolved without any problems.

Unfortunately when one puts in such a mammoth effort that Geoffrey Forsyth put into the role of President over the previous 12 months then you can understand his disappointment at any reflection on his integrity.

On behalf of all Members I thank Geoff and his wife Judy for their efforts and achievements for our Clan over recent years and wish them good health and happiness.

Yours sincerely

Gordon D Forsyth
